Miss L. Atwood-

My reason for not answering all the questions on certificate is because I'm not absolutely sure of the truth as I told you before in my other letters. However, I will now answer them as per your request. About the age of my parents. I really can't swear to that I imagine they were around 40 years of age at the time of my birth. I may be wrong just a few years but that's the best I can do.

I can furnish you the names of people living in Wallace Idaho that knew my parents 30 years ago but not at the time of my birth.

I'm sorry to cause you so much trouble but I have tried to give you all the information that I possibly can.
